

Mritunjay Sharma

C-2/34, Malkaganj, Delhi-7; 8448076468; mritun.kr90@yahoo.com

Career Objective

A researcher by education, trained to analyse and solve problems to come to an interpretable conclusion. Prepare concise and logical written materials. Identify sources of information applicable to a problem. Identify goals to be accomplished and a realistic timeline for completion. Work effectively under pressure and meet deadlines with limited supervision.

Highlights

- Research and Information Management
- Project Management and Organization
- Collaboration on Projects
- Persistent learner
- Problem Solving
- Persuasive communication skills
- Focussed
- Thrives under pressure

Accomplishments

- National Initiative on Undergraduate Science (NIUS) Chemistry fellow, 2009-11.
- Participated at Asian Science Camp, Mumbai, 2010.
- Oral Presentation at 3rd Annual Convention of Petrotech Chapters, Pune, 2011.
- Poster Presentation at 3rd Asian Spectroscopy Conference, China, 2011.
- President at Department of Chemistry, University of Delhi, 2012.
- Worked in the Resident Association of Opal Gardens, University of Manchester, 2013.
- Awarded EPSRC CASE Award by Sellafield Ltd. and University of Manchester to pursue PhD in Materials Chemistry at University of Manchester, 2014.
- Worked as Hall Tutor at Dalton Ellis Hall 2015-16.
- Worked as University of Manchester Intellectual Property (UMIP) fellow, 2015-16.
- Attended European Nuclear Young Generation Forum, Paris, 2015.
- Attended International Conference on Nuclear and Radiochemistry, Helsinki, 2016.

Education

- PhD Materials Chemistry – University of Manchester January 2014- June 2017
- MSc Polymer Science and engineering – University of Manchester 2012-13, (M).
- B.Sc Chemistry (H) – University of Delhi, Kirori Mal College, 2009-12, 67%
- Diploma in Bionanotechnology and its medical application - Nano Science and Technology Consortium, September 2010- February 2011, 71.2%.
